Tables.....	iii
Figures .....	iv
<b>Section 1. Summary.....</b>	<b>1-1</b>
Background.....	1-1
Report Organization.....	1-2
Setting – Baseline Conditions.....	1-2
Assumed Future Conditions .....	1-2
Socioeconomic Implications .....	1-3
Analytical Framework.....	1-3
Effects on the Local Economy and Fiscal Conditions .....	1-4
Changes in Social Costs and Benefits .....	1-7
Conclusions.....	1-9
<b>Section 2. Assessment Objectives.....</b>	<b>2-1</b>
Background.....	2-1
Objectives .....	2-2
<b>Section 3. Overview of Assessment Scope and Methods.....</b>	<b>3-1</b>
Background.....	3-1
Methods.....	3-3
<b>Section 4. The Base Case – Current Conditions in the Sacramento River</b>	
<b>Study Area.....</b>	<b>4-1</b>
Background.....	4-1
The Study Area .....	4-1
Land Uses .....	4-2
Land Ownership.....	4-2
Programs Affecting Agricultural Land Conversion in the Study Area .....	4-3
Central Valley Project Improvement Act.....	4-3
CALFED Bay-Delta Program .....	4-4
Sacramento and San Joaquin River Basins Comprehensive Study.....	4-4
U.S. Fish and Wildlife Service Sacramento River National Wildlife Refuge .....	4-4
The Nature Conservancy Sacramento River Project.....	4-5
California Department of Fish and Game.....	4-5
California Department of Parks and Recreation.....	4-5
<b>Section 5. Post-Restoration Conditions and Assumptions .....</b>	<b>5-1</b>
Background.....	5-1
Study Area Boundaries .....	5-1
Land Conversion and Ownership Assumptions.....	5-1
Land Conversion Time Frame Assumptions .....	5-3

	Assumptions regarding Infrastructure Maintenance and Flood Protection Activities.....	5-3
	Summary of assumptions .....	5-4
<b>Section 6.</b>	<b>Socioeconomic Implications .....</b>	<b>6-1</b>
	Analytical Framework.....	6-1
	Effects on the Local Economy and Fiscal Conditions .....	6-2
	Agricultural Resources Effects .....	6-3
	Recreation Effects.....	6-6
	Site Monitoring Effects .....	6-9
	Regional Economic Effects .....	6-10
	Fiscal Effects .....	6-15
	Changes in Social Costs and Benefits .....	6-30
	Potential Loss of Agricultural Benefits (Producer's Surplus) .....	6-31
	Flood Control Benefits and Costs.....	6-33
	Recreation Benefits.....	6-36
	Ecosystem Protection Benefits .....	6-37
	Interim Effects .....	6-40
	Background .....	6-40
	Agricultural Effects .....	6-40
	Recreation Effects.....	6-41
	Restoration and Site Monitoring Effects .....	6-41
	Regional Economic Effects .....	6-42
	Fiscal Effects .....	6-43
	Social Costs and Benefits.....	6-44
<b>Section 7.</b>	<b>Conclusions.....</b>	<b>7-1</b>
<b>Section 8.</b>	<b>Citations.....</b>	<b>8-1</b>

	<b>Page</b>
4-1 Current Land Uses within the Study Area .....	Follows 4-2
4-2 Current Land Ownership Within the Study Area .....	Follows 4-2
5-1 Land Conversion by 2030 .....	Follows 5-2
6-1 Crop Types, Acreages, and Values in Butte County .....	Follows 6-4
6-2 Crop Types, Acreages, and Values in Colusa County .....	Follows 6-4
6-3 Crop Types, Acreages, and Values in Glenn County .....	Follows 6-4
6-4 Crop Types, Acreages, and Values in Tehama County .....	Follows 6-6
6-5 Crop Types, Acreages, and Values Displaced in Butte County .....	Follows 6-6
6-6 Crop Types, Acreages, and Values Displaced in Colusa County .....	Follows 6-6
6-7 Crop Types, Acreages, and Values Displaced in Glenn County .....	Follows 6-6
6-8 Crop Types, Acreages, and Values Displaced in Tehama County .....	Follows 6-6
6-9 Estimated Visitor Days in 2000 for Activities Potentially Affected by Proposed Habitat Restoration .....	Follows 6-8
6-10 Recreation-Related Spending Associated with Use at Potentially Affected Recreation Areas, by County .....	Follows 6-8
6-11 Site Monitoring Expenditures .....	6-10
6-12 Existing Economic Conditions in the Four County Area .....	6-11
6-13 Direct Plus Indirect/Induced Job Losses Resulting from Reduced Agricultural Expenditures .....	6-12
6-14 Direct Plus Indirect/Induced Reduction in Personal Income Resulting from Reduced Agricultural Expenditures .....	6-12
6-15 Direct Plus Indirect/Induced Job Gains Resulting from Increased Recreational Expenditures .....	6-13

6-16 Direct Plus Indirect/Induced Increase in Personal Income Resulting from Increased Recreational Expenditures ..... 6-14

6-17 Direct Plus Indirect/Induced Jobs Resulting from Site Monitoring ..... 6-14

6-18 Direct Plus Indirect/Induced Personal Income from Site Monitoring ..... 6-15

6-19 Average Distribution of Affected Revenues Among County Funds, Schools Funds, and Special Districts ..... 6-17

6-20 Percent of Authorized Federal Revenue Sharing Rate Paid to Local Jurisdictions, 1991–2000 ..... 6-23

6-21 Summary of Revenue Impacts on Study Area Counties ..... 6-28

6-22 Summary of Revenue Impacts on Special Districts within the Study Area ..... 6-29

6-23 Estimated Change in Agricultural Benefits ..... Follows 6-32

6-24 Potential Flood-Related Benefits of Riparian Habitat Restoration ..... Follows 6-34

6-25 Annual and Cumulative Spending for Site Restoration, Maintenance and Monitoring ..... Follows 6-42
